Hello, and thank you for your plugin purchase! Your receipt is below, and here is a [permalink of the transaction](#) for your records.

You can begin using your plugin purchase(s) immediately; no activation is required. If you haven't already, simply login using your Goodhertz account when prompted by the plugin. If for some reason the plugin does not automatically authorize, simply logout of the plugin and log back in.

We've also reset the trials for any plugin(s) that you do not currently own, so you can restart the 15-day free trials whenever you'd like. To download the latest versions, visit: goodhertz.co/downloads.
